

Re: Career Education 9 Update

April 26, 2020

Dear Parents & Students,

In light of the pandemic, further work in Career Education 9 has been stopped. The grades for June report cards will be generated from the evidence of learning prior to spring break.

Prior to spring break, students were responsible for completing the Take Our Kids to Work Day Assignment (submitted in November), 4 Inquiry Questions (from either 1st or 2nd semester courses) and 1 core competency reflection. Inquiry questions and reflections are to be uploaded to myBlueprint portfolios for future use, in Career Life Education 10.

Any outstanding work can be emailed to Ms. Kiers, our Career Facilitator at rkiers@sd35.bc.ca by Monday, May 4th 2020. Questions are welcome anytime.

Career Ed 9 information can be found on the library website:
<https://gli095.wixsite.com/mysite/career-ed-9-2>

Thank you,

Jordan Howlett
